CHARITABLE GIVING RESOURCES Re-evaluate your charitable contributions. Perhaps some money you already set aside for charitable giving can be temporarily diverted to the Reimagine HOPE Campaign. Again, this should be done prayerfully.

Give Up Some Luxuries: Lifestyle adjustments can help make extra money available to give. Consider canceling magazine subscriptions, cable television, frequent trips for coffee, or scaling back on entertainment and meals out.

Delayed Expenditures: Perhaps some major purchases can be temporarily postponed and money diverted to the Reimagine HOPE Campaign. The acquisition of major items such as automobiles, clothing, or trips, when postponed, allows substantial giving opportunities.
